*“...reflecting on the past,  
focused on the future!”*

**A great community doesn't just happen.** It takes vision. It takes planning. And most of all, it takes the dedicated support of all stakeholders, both public and private, to make a vision a reality. We invite you to join us in our journey to re-discover the "Miracle Mile" as we transform our community. It's all about "People Helping People".

**Join other members** of our community who have come together to form the "Gateway Business Alliance" and the "Gateway Community Development" in their efforts to re-develop the "Gateway to the South/Gateway to Indianapolis".

**Be a part of "HISTORY in the MAKING"!** This is your opportunity to see POSITIVE change in this area. Your participation is vital to the success of linking many of the great projects ongoing throughout the greater southside such as: The Hanna Avenue Project at the University of Indianapolis, the Emerson Avenue Project in the City of Beech Grove and the Southport Road Project in the heart of Southport. We are the missing link to them all. You can make a difference – join us in these upcoming events:
